

SAVE WITH ENERGY EFFICIENCY

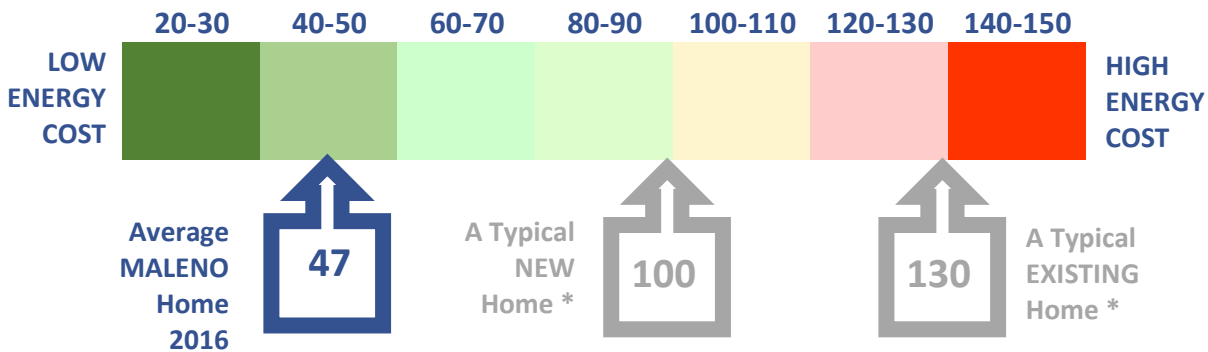

Build a Home that's Better for YOU and the ENVIRONMENT!

Build a MALENO HOME!

MALENO is dedicated to doing our part to help the environment by using the latest materials and construction techniques. New MALENO homes are more energy and resource efficient than ever before. We have added features that are greener, environmentally friendly, and energy efficient. We have always believed that the difference is in the details. Whether we are building your new home or remodeling your existing home, our team of experts are determined to deliver exceptional craftsmanship, as well as the most innovative eco-friendly building and energy saving products.

HERS Score	MONTHLY Utility Cost MALENO Home	MONTHLY Utility Cost 10 YEAR OLD Home	10 YEAR Utility SAVINGS
42	\$ 210.00	\$ 505.00	\$ 35,400.00
