Hello!

Summer is almost here and we’ve been busy preparing for it. You’ve probably seen new landscapers in the communities, and hopefully you’ve seen an improvement in the greenspaces! We’re testing a few different companies in order to find the best fit for each of our communities. I’d really appreciate your feedback. Let us know how you think they’re doing in your neighborhood. You can call the office or email me at natalie@malenohomes.com.

We’ve also been hosting monthly events for you. Have you been enjoying them? If you weren’t aware of them, read our article regarding email addresses. We plan to continue the events as long as you continue to participate!

CONTEST WINNERS

We offered you two opportunities to win prizes during the first quarter of 2017. Your participation exceeded our expectations!

NEWSLETTER

Did you notice our new, newsletter name above? We received over 40 great name suggestions! Our team reviewed each one and voted on the one that best represents our communities. “Messenger” was submitted by Joanne Petz from The Village on Pacific. Three other people submitted the name so the winner was selected from a random drawing. Joanne won a \$50.00 gift certificate to Firebirds Restaurant. Thank you to all who participated.

ACH DRAFT

Our second contest this year was for our ACH Draft set up. Using this service is free, and those who signed up no longer need to worry if they paid their rent in time to avoid late fees. Ryan Brophy & Haley Dyczewski, from The Village on Pacific, were the lucky winners of our Coffee Time Gift Basket Drawing. It is not too late to sign up for ACH—just call our office!

Maintenance Corner: Washer & Dryer Care Tips

NEED HELP?
In case of
a service
emergency
after hours,
please call
814-833-6516,
option 9.

Many of the maintenance calls we receive have to do with your washers and dryers. Follow these tips to help keep the “Maytag” man away:

1. Once a month, run the washer with a cup of bleach or a cup of white vinegar, set to the biggest load setting. This will help to keep the lines free of sediment build-up.
2. Leave your washer lids open. This will help keep the machines from smelling musty.
3. Do not overload your washer. If you do, your clothes will not get as clean as they should and you risk breakdowns and flooding.
4. For Shadow Pines residents: to eliminate the trap gas odors, pour a pitcher of bleach water slowly in the square catch pan underneath your washing machine as needed. We recommend mixing 1 cup of bleach to 4 cups of water.
5. Clean your lint trap in your dryer after every load. This will help the dryer run correctly and keep you from having to run it longer. If you happen to notice a build-up of residue starting to form on the dryer’s lint screen, use a dryer brush to remove it and/or wash it using dishwashing liquid (allow to dry completely before putting it back into your dryer).

JUNE EVENT - Flag Day, June 14th

Stop by the Property Office at 2315 Jamestown to pick up your flag and a cupcake! Anytime during normal business hours between 8:00am – 5:00pm. Flag Day commemorates the adoption of the flag of the United States, which happened on June 14, 1777, by resolution of the Second Continental Congress.

! IMPORTANT UPDATES & REMINDERS !

1. A BIG Thank You! We would like to send out a thank you to all of our residents who renew their leases with us year after year. By continuing to make our community your home for an extended time, it reassures us, as well as your neighbors, that it is a wonderful place to live! We hope you enjoy the new Loyalty items, as well.
2. If you have not done so already, we hope you will choose to renew your lease! Please let the office know as soon as possible of your plans. If you plan to move out at the end of your lease, pick up a 30-Day Notice form at the office and return it no later than 30 days prior to the expiration of your lease. Or, call the office and we will email it to you.
3. Garbage is a service provided to you, but one that should not be abused. Make sure that ALL of your trash makes it into the dumpster—NOT ON THE GROUND AROUND THE DUMPSTER. Dumping of hazardous materials is not allowed. Dumping of items such as batteries, tires, and car oil is prohibited. No oversized items such as beds and couches. No items shall be placed beside the dumpsters. Please help keep our communities beautiful!
